Note: President Powers participates in an incentive compensation program where award opportunity levels are adjusted to reflect his/her success in attaining performance goals. The amount of compensation payable for FY 2015 will be determined by the Board of Regents at a future date. For FY 2014, the award opportunity was 10% of base salary adjusted depending on achievement of "Threshold, Target and Maximum" goals and was paid in January 2014. Achievement of Threshold goals earned 50%, Target goals earned 100%, and Maximum goals earned 150% of the award opportunity respectively. Incentive compensation reported above as "Other" is an estimate based on the actual amount paid in FY 2014 for FY 2013 performance.
